SPONSOR A BRICK!

The Museum of Vanning and Hall of Fame would greatly appreciate your donation to our engraved Brick Paver Fund Raising Drive. This is a unique way to support the Museum by honoring a loved one, commemorate a special event or to just etch your thoughts for future visitors. Join us in this ongoing effort to continue to expand and grow. Become a part of a legacy of information and history to benefit current and future generations of Vanners. Your **tax deductible** contribution will help pave the future one brick at a time.

You can have your own personalized brick in the Museum Walk of Fame. Your Van Club can also have its own brick. You can honor Vanners who have passed on with their own commemorative brick. Logo's can be included.

To order your bricks, go to: <https://www.bricksrus.com/order/vans/index.php>
