Jimmy was an amazing person. He had a big heart filled with lots of love for everyone. Every room he would walk into would suddenly light up. He had the biggest smile, i'm pretty sure that's what people remember most about him. I miss him all the time. He made a great impact on my childhood, he made me and my brothers very happy kids. My baby brother was thinking about him the other day and it broke my heart to see how upset he was. He painted my bedroom walls and I want to repaint it but I can't bring myself to see these walls looking different. It's one of the greatest memories I have of him. I miss him a lot, i'm just glad he's in a better place now living his best life. I love you Jimmy

I miss my BIG foot (inside joke only me and him know about) he had such a wonderful personality he was such funny person with such a good heart. My kids loved him!! he painted my daughter room pink & purple as much as I would like to get rid of that ugly color on her wall I just can't cause is a memory I have of him. God always takes the best ones, I'm sure he's in heaven making everyone one laugh. I love you Jimmie you will always be remembered. I got me a guardian angel watching over me and my kids. Rest in peace my angel.
