I'll always remember all the times you came into Wawa when I was working there, you always made me smile and I miss your jokes. I still remember the day I told you I'd start calling "Uncle Henry". RIP

We will miss you for morning coffee at the van runs, and at all other times of the day as well. We were fortunate enough to see you a few times this year, and your leaving has been a shock to the entire vanning community.

Gord has no doubt greeted you by now as you two formed a an inexplicable connection that came forward recently...keep the coffee pot on for when we meet again.

Henry was always so kind to me when we ran into each other at van runs. My heart goes out to Melissa, Henry Jr, Luke, Aidan, and the vanning family.

Eternal rest grant unto him, O Lord,
and let perpetual light shine upon him.
May the souls of all the faithful departed,
through the mercy of God, rest in peace.
~Amen~
