

Paul "Wacko" Wack
1957-2010

Zypher Vans

Paul's love of vans and his natural desire to be a leader, and his great skill in bringing people together, eventually led him to join the Northwest Van Council and Horizon Vans. In 1991 he became a member of Zypher Vans and Trucks of California. He organized the "Council of Councils" in Seattle in 1992. He also was instrumental in hosting 3 National "Truck-In's", California in 1994, and Pennsylvania in 2005 and 2008. He joined Moonlight Vans in 2004. And if that wasn't enough, he was a member of The Australia Van Council, and in 2004, became a member of the National Truck-In Board. His leadership abilities and his way of making connections with people from all around the world were what drew people to him.
