

ROACH
William Reel
April 1949 - November 2012

Roach was a vanner for over 35 years. He was known all along the east coast. In the early years Roach did an awful lot to promote vanning. He was the original member of the Southeast Van Council, which was very strong at one time. Roach never knew a stranger and for us that knew him he will be sorely missed. And even those who didn't know him will hear his name and about his antics, for years to come.

God bless you bro and rest in peace!
You are "Free as a Bird".
