Obituary

Rebecca May (Larson) Dickinson, 63, passed away at home in Sterling, CT on November 22nd, 2020. Becki was born in Mishawaka, Indiana, daughter to the late Arthur (formerly of Lincoln, Nebraska) and Maureen (Jehan) Larson (formerly of Nice, France).

Becki was the beloved wife of thirty-eight years to Dennis Dickinson, may they rest in eternal peace and love together. Many of their years were spent raising their family in the home he built for them by hand. Becki devoted her final years to diligently caring for her husband at home. She felt very fortunate that his illness progressed slowly, and that she was able to have so much time with him, preparing to miss him.

Becki was an exceptionally loving mother to her two children and their spouses: son Richard and wife Nina (Smith), daughter Magalie and husband Thomas Porretto. She was an equally loving stepmother to her stepson Scott Dickinson and his wife Wendy (Field).

She was a doting grandmother that adored her grandchildren Lindsey Dickinson, and Dominick and Genevieve Porretto. She was also looking forward to meeting her next grandchild due in January.

TRIBUTE ARCHIVE

She most enjoyed quality time spent with family and friends, including traveling with her children, and listening to her favorite music. She found enjoyment emersed in nature, walking her dogs, caring for rescued animals, watching wild birds, and enjoying sunny days at the beach. Her daily choices reflected her passion for nature conservation. Becki was a loyal and reliable friend whom cherished each relationship.
