Dave Pilon:

Dave was an enthusiastic vanner. A man of class. He was a retired Navy man. When I met him, I believe he was the head of the Florida Van Council. He liked all the vanners.

When ever we went over to the campsite he was up and welcoming us. The man was always neat. I didn't spend as much time with him as I would have liked. Dave came to me at one of the "Blue Grass" truck-ins and asked if he could join our club, since some of the chapters had members from other states, I figured "Why Not", he was a good man!

So Dave joined the "Chicago West Chapter", of Midwest Vans LTD. He was proud of the fact that we voted him in to our club, and spoke with pride of being a member.
