Wizardsy and Work Make a Winner

Carl Dobson puts an extra gleam on his 1984 customized Dodge van that recently won three firsts at the Detroit auto show and has been winning prizes in Southwestern Ontario and the States. Displayed are some of

the trophies and prizes he has taken in less than two years the car has been shown. It is on display at Countryside Dodge, Essex, throughout January.

It has taken prizes every time he has shown it. This year at Cobo Hall auto show it was best overall van, best in exterior class, and first in class for conservation van. As well, Carl has won awards for his display that emphasizes the wizard theme.

His goal is to rack up enough points to be class champ of the year for North America. To do that he needs to win top spot in all shows and take it to a lot of shows. And constantly make improvements.

"I change something every day it sits at home. A little bit here and there. I want to change the dash and add a little more to the interior".

He started customizing
