## TRIBUTE ARCHIVE

Dave was also a Shriner at the Melha Temple in Springfield Massachusetts.

Dave had a passion for “big toys” and drove everything and anything with wheels including eighteen wheelers, a backhoe, excavators, cement mixers, and he even built his own Harley from a box of parts in his youth. He could drive any boat known to man including a speedboat at Laurel Lake, a pontoon boat in Florida and an airboat in the Florida Everglades.

David reunited and married his best friend and his first and last love of his life Jacqi in Florida in 1988. He provided a wonderful lifestyle for his family in many locations over the years including Florida, North Carolina and New Hampshire. In North Carolina he made and named the street, Dajaview Heights, which stands for David and Jacqi's view. In retirement he moved to Laurel Lake in New Hampshire where he built Dave's three car garage, known as the “Garage Mahal” where many wonderful nights were spent partying throughout the years with his friends and family.

David was known to all who loved him by many names over the years including Pops, Biggie Dave, Number One, Woody, Homes, UD, Grandpa, PePaw, and Dad. He was a devoted father, great husband, wonderful friend, and an all-around honorable man. He always had time to catch up with a friend or family member in between episodes of NCIS or Law and Order. He was a generous man with his time and his heart. He will be greatly missed by all who knew him.

David was able to spend five months this summer at Laurel Lake enjoying his friends and family. He has departed to the great lake in the sky to be with all the friends and family that have passed. He is paving the way for all of us where we will party again with him one day, but not yet...

A Celebration of Life will be held on Friday December 16th, 2022 at Pines of Delray North, 1431 NW 18th Ave, Delray Beach FL 33445 from 1-3 pm and on July 22, 2023 for our northern friends and family at 56 Whites Grove Rd, Fitzwilliam, NH 03447 starting at 1 pm.

Dave showed up on a motorcycle.  
I jumped on & he took off so fast I thought I was gonna fall off...I was so scared !  
He also never squealed on me when he caught me out in the bars....loved him for that....
