Sherry L. Sawman

10/08/48 – 01/22/07

Sherry loved her children, her grandchildren, her family, her friends, her dogs, holidays, boating, tubing, the outdoors, camping, fishing, tanning, family gatherings and any functions that brought her friends and family together. She loved vanning and was a member of BVA for 30 years.

Sherry was a devoted wife, mother, grandmother, and friend. As a Mother, she raised her children to love unconditionally and always be kind. As a Grammy, she continuously spoiled and showered her grandbabies with hugs and kisses. Upon seeing any of her loved ones, she always had open arms and a hug and kiss for them. If you were her friend, you were considered part of her family.

Sherry always gave of herself without hesitation. If she had the capability of helping, she would lend her hand to help someone. She was a warm, compassionate person with a nurturing instinct. Her many selfless acts of love were just a small glimpse into her kind heart and soul.

Although her passing has left a sad void in our lives, we remember the great times we shared with her. Reminiscing about her brings a smile to our faces. Sherry lives on in each of us and she is dearly missed by all her family and friends. We love you Sherry, now, forever, and always.
