My sincerest condolences. Norm was a great guy without a doubt. Our family used to live just up the street on Algonquin back in the 60's.

On behalf of the United Steelworkers Unit Lodge 650 Members and Executive we would express our deepest condolences to the family pertaining to the passing of Norm who was a BRAC, TCU & USW member for 35 years and diligently served on the Union's executive and as a shop steward at the plant.

On a personal note as a long time friend and associate and having played hockey and curled with Norm over the years and having worked closely with him over many years as an executive member it is devastating that Norm left this world as I know he still had much to accomplish.

A quiet but very dedicated person who enjoyed participating in life's adventures and it was not about winning or losing but participating and how you played the

game. I know he will be missed.

Sincerely:

Herbert T. Daniher and on behalf of the Members and Executive of USW Unit
Lodge 650.
