

VIV COLLINS

“”

NSVA (UK)

Viv Collins

Pass away in 2009 Viv (far right) was a great 2% vanner and a committee member of the National Street van Association. This amazing lady was a close friend to all the members of her club and is dearly missed by all who new her. She was a great committee member and worked hard getting the 2000 CofC bid together and even harder during the event.
