

Peter Reisiger

1954 - 2023

PETER REGINALD REISIGER

April 29, 1954 - September 8, 2023

Reisiger, Peter Reginald

Surrounded and supported by the love of his family and friends, Peter chose a medically assisted death at home after a lengthy illness.

Peter will be missed by his loving partner Sylvia Simpson and his four-legged companions Sunset and Shadow, as well as his brothers Richard (Sandy), Michael (Catherine), his nieces Kim, Casey, Lindsay, Caroline, Charlotte and grand-niece and grand-nephews, and many close friends. Peter was the son of Allard and Regina Reisiger.

He will also be missed by his many dear friends in the vaning and classic truck worlds. A longtime member of the Southwest Van Club.

Peter was a talented industrial and hobby model builder all his life. His legacy lives on in the steel mill display he created for the "Little Canada" exhibit in Toronto, as well as many other scale models he created for major North American industrial clients.

He had a passion for old trucks and will be remembered for his unique '52 Chevy Panel. Peter was an avid gardener, woodturner, tinkerer, lover of nature and mentor, always eager to share his skills and knowledge.

He was a "behind-the-scenes" guy, organizing many custom car, truck and van events, gatherings and road trips, and was a regular designated driver with his Dodge Caravans.

Thanks to the team at the St. Joe's Firestone Clinic for the excellent care, especially Dr. Stewart Pugsley. To Dr. Steve Puchalski for not only fielding Peter's endless barrage of medical questions but sharing their love of all things model trains and Genesis (the band). Thanks also to Wendy and Leif and all of Peter and Sylvia's Chedoke Avenue neighbours for their support. You are what a community is all about.

Cremation has taken place and a Celebration of Life will be held Saturday October 28th, 2:00 until 4:00, at the Caledonia Legion, 29 Caithness Street East, Caledonia N3W 1B7

Plant a tree in Peter's honour or, make a donation to the Nature Conservancy of Canada.

Life is about the journey, not the destination.
