Jack William Leslie

April 6, 1954 ~ April 15, 2022 (age 68)

In the 70's Jack was the owner of the Midnite Hustler and part of the Independent Vanners. Later in life he created a vintage van The Field of Dreams. Jack spent many a year on the 401 driving heavy trucks. He won many awards with his Van the Hustler and travelled far.. Jack ol pal we were born the same year, trucked an partied together and drifted our own way. RIP ol pal.. maybe you will finally find the old van of yours.
