A Dad

A dad is a person who's loving and kind,

And often he knows

What you have on your mind.

He's someone who listens, suggests, and defends--

A dad can be one of your very best friends.

He's proud of your triumphs,

but when things go wrong,

A dad can be patient and helpful and strong.

In all that you do,

a dad's love play a part--

There's always a place for him

deep in your heart--

And each year that passes you're even more glad,

More grateful and proud

just to call him your dad.
