Good evening Vanners. Just wanted to give you a little update on what's been going on around the museum. April 10, we have our upcoming fourth annual tax relief van show to be held at Sam's Beach bar in Hudson Florida. Space for this show is limited so if you are interested, please drop me a line and let me know you would like to attend. The show is just about ready to go. The trophies are done - see the enclosed picture of our really cool tiki bars we are giving away. The dash plaques are in and about the only thing that we're concerned with is that Sam's Beach bar's remodel is complete. The show will go on either way as the restaurant is open; we just hope it will be done. The owner assures me that it will be. We are going to get a 25% discount on our food bills and hopefully a live band will play that day just for us. We've also got lots of cool stuff coming in for the goodie bags which should be pretty stuffed. All of the awards once again this year will be by peoples' choice. Patrons of the restaurant will walk around all day and check out our cool vans in Sam's parking lot and vote for their favorite. Entry fee is \$20 which includes a goodie bag your dash plaque and 25% off your meal. Also, on the Saturday before the 9th of April we are having a cocktail and popcorn social at the museum. You are welcome to stay overnight if you would like or just come by Saturday and spend the day. We will be leaving the museum Sunday morning a little after 8 AM to caravan over to Sam's. This also has been a pretty cool highlight of the day as we usually take about 35 or so vans in caravan over there. So, if you need a flyer or any information regarding the show remember it is a limited size show but we will work a way to get you in. Even if you don't want to show your van come on over and check out all the rest of the vans and have lunch with us and maybe even a drink. So, for now that should have you up-to-date with the tax relief van show. Keep on Vanning and hope to see you at the show!
