Juvenile Diabetes Research Foundation, 5000 Rockside Rd., Independence, Oh 44131

It is with sadness and a heavy heart that I announce the loss of another vanner and one of the best friends I have ever had. Danny Bias, one of my dearest friends who I have known for almost 16 years, a man who I have the utmost love, admiration, and respect for..... passed away today at the way too young age of 50. If you don't remember him think of Danny and Mary and all their children Nick, Nicole, Justin, Jordan and Judith and their wonderful grand children Emerald and Kaylee. Check the link below. For those who had the benefit of knowing him you will remember a kind, generous, gentle, funny man who always tried to see the positive side of life and make us laugh. I looked up to him like the father I always wished I had and indeed he was that to me and so much more. He taught me a lot about how to be the person I have become today and I will miss him dearly. He was a man I looked up too and one of the best examples of 2% there ever was or will be. We will all miss him deeply, please say a prayer for his family and keep him and his family in your thoughts, thank you.
