## “SHEE WEE & LASSIE

### 2003

### *Sheila Colbert*

04/27/1954-06/17/2003

AKA: Shee-Wee and Lassie

You all might have known her for her bartending abilities, and her partying. She was in charge of the CITA bar for 6 years. She was the person that you could count on for serving drinks to your liking and always gave you a free drink now and then. Her favorite drink was a ROOT BEER SLAMMER. Sheila caught Cancer about 3 years ago, and fought it with all she had, it kept reoccurring, the more she fought the more they found. She was a fighter and the bitch left us. She left with a deck of cards, a roll of quarters (for the game, screw your neighbor) and she also left with enough fixing for a ROOT BEER SLAMMER AND A SHOT OF MAUI. She left behind her very special man, Terry Colbert AKA Wolfie and her Vanning friends and family.

We are all going to miss her and hopes she starts the party up there for all of us.

Lassie also went out with a personalized Vanner Taps.

Let's all have a Slammer for Lassie and her Angles that have her now.

She always considered us

**"FRIENDS IN LOW PLACES"**

We are all going to miss her, especially her good friends Suzie, Loretta, and Linda (lush).
