I don't even know where to begin to describe dad. He was the best and most caring man I have ever known. He would help anyone he possibly could. Dad loved all his kids and grandkids, he made sure we all knew it. We would talk multiple times a week about any and everything. Sometimes we'd talk 5 mins other times it'd be 45 mins. It's still hard to grasp the fact that he's gone but I know he's watching over us and will always be with me! RIP Dad I love you so much and will miss you tremendously

A candle was lit in remembrance

Mike was wonderful man, I looked up to Mike. He has been a great part of my life the past 11.5 years, mike taught me how to be a caring person just like himself. Mike took me in when I was a lost kid who just had a kid and gave me guidance, I would say I wouldn't be the person I am today if I didnt meet mike. Thoughts and prayers goes out to his family im here for each and everyone of yall as mike would have been. RIP Mike i love you
